2 Cranes is an older home - think rustic charm. Basic linens and kitchenware are provided. All rooms have AC. These are just some things to think about:

There is a full kitchen at the Inn with fridge and cupboard space available. Stopping at a grocery store on your way in is a great idea (St. George has a Walmart, Albertsons, etc). If no meal plan is listed on the itinerary, it is DIY.

- Swimsuit
- Sunscreen
- Athletic shoes
- Hiking gear
- Light layers
- Hat
- Wedding outfit!
- Snacks
- Drinks
- Easy breakfasts & lunches
- Bug spray
- Reusable water bottles

WHAT'S THE PLAN?

The plan is to have an awesome time! Your patience and flexibility will be much appreciated as we navigate the unavoidable chaos. While there are some ideas on the itinerary below, we truly want you to enjoy the weekend however works best for you. We are most excited to just spend time with you all!

PARKING & TRANSPORTATION

Two Cranes Inn is about a ten-minute drive from the Oasis. There is plenty of parking in both locations. Both houses are a 10-15 minute drive from the nearest town (Springdale). However, Ubers and Lyft's are limited and we do not recommend relying on these services for transportation, especially at night.

ITINERARY

You are welcome to join us for all of the plans below, but please do not feel expected to do so! We encourage you to enjoy your vacation and take some time to explore the area on your own. The Oasis also has all of these amenities that we hope you will take advantage of, too:

Detailed Directions to the Oasis

1. As you enter Rockville from St. George/Hurricane/La Verkin, reset the odometer (if starting from the Inn, begin with step 3 - Bridge Rd is just East of the Inn)

2. Drive .7 miles to Bridge rd. It's very easy to miss and will be on the right hand side.

3. As you get to Bridge rd you will see two signs. One is the bridge road sign and the other is a sign pointing to Grafton. That's where you need to make the right turn. Reset your trip odometer.

4. Continue down Bridge road, and cross the bridge until you've gone .3 miles.

5. At .3 miles from SR-9 (main St.) across the bridge you will get to this junction pictured below. Stay to the right and continue on 250 S. (Grafton)

6. As you make that right-hand turn, continue straight down that road and drive another .6 miles until you reach a 90-degree left-hand turn.

7. Pictured Below is the left hand turn. Reset your odometer and drive another .7 miles to where you see a dirt road heading off to the left. You will arrive there just after crossing the cattle guards.

8. Reset your odometer and continue down the paved road for .5 miles until you see a private dirt road (like the photo below) veers off to the right. Turn right down that dirt road.

9. Continue down that dirt road until you reach the 3 different turn offs pictured below. Here you will turn to the right.

10. After turning right you will see a dirt driveway veering off to the left. That is the entrance to the Zion Red Rock Villa and you will want to pass that. **DO NOT** go into that entrance.

11. As you pass the Zion Red Rock Villa entrance you will continue straight along the picket fence until you see an entrance that looks like this.

12. You have arrived at the entrance of the Zion Red Rock Oasis.
