### ZION TIPS & RECOMMENDATIONS

- You only need to pay the \$35 Zion National Park entrance fee once - the pass is valid for 7 days. The park will be quite busy so expect some lines at peak times.
- You cannot drive into Zion Canyon. There is a simple [shuttle system](#) to access most trails. Alternatively, [rent bikes or ebikes](#)! There are restrooms at most stops and a snack bar/grill at Zion Lodge (Stop #5).
- Activities to consider:
  - Choose a [hiking trail](#) to explore - you can't go wrong and they range from easy to extreme. A scenic drive on [Zion-Mount Carmel Highway](#) works too!
  - Walk down Zion Park Blvd through Springdale for cute shops and treats.
  - Fuel up at [Bit & Spur Saloon](#), [Oscar's Cafe](#), [Zion Pizza & Noodle Co](#), or [MeMe's Cafe](#) in Springdale. If you're in Hurricane, visit [Muddy Bees Bakery](#).
  - Look up! Zion is an [International Dark Sky Park](#) with amazing stargazing.

# Detailed Directions to the Oasis

1. As you enter Rockville from St. George, Hurricane, La Verkin, reset the odometer.

2. Drive .7 miles to Bridge rd. It's very easy to miss and will be on the right hand side.

3. As you get to Bridge rd you will see two signs. One is the bridge road sign and the other is a sign pointing to Grafton. That's where you need to make the right turn.  
Reset your trip odometer.

4. Continue down Bridge road, and cross the bridge until you've gone .3 miles.

5. At .3 miles from SR-9 (main St.) across the bridge you will get to this junction pictured below. Stay to the right and continue on 250 S. (Grafton)

6. As you make that right-hand turn, continue straight down that road and drive another .6 miles until you reach a 90-degree left-hand turn.

7. Pictured Below is the left hand turn. Reset your odometer and drive another .7 miles to where you see a dirt road heading off to the left. You will arrive there just after crossing the cattle guards.

8. Reset your odometer and continue down the paved road for .5 miles until you see a private dirt road (like the photo below) veers off to the right. Turn right down that dirt road.

9. Continue down that dirt road until you reach the 3 different turn offs pictured below. Here you will turn to the right.

10. After turning right you will see a dirt driveway veering off to the left. That is the entrance to the Zion Red Rock Villa and you will want to pass that. **DO NOT** go into that entrance.

11. As you pass the Zion Red Rock Villa entrance you will continue straight along the picket fence until you see an entrance that looks like this.

12. You have arrived at the entrance of the Zion Red Rock Oasis.
